

Basa (2019)

Basa is one of the pioneering wines to show the expression of a grape variety, the 'Verdejo' that adapted to a continental climate gives rise to a direct, fresh and expressive wine.

REGION
Rueda

VILLAGES
La Seca, Serrrada, Pozaldez, Foncastín

VARIETIES
90% Verdejo and 10% Viura

VITICULTURE
Traditional, vertical trellis, pruned in cordon royat. Manual and machine harvest.

ELABORATION AND AGING
Fermentation and aging in stainless steel tanks.

SOILS
Gravel from fluvial terraces, erosion slopes and glacis.

VINTAGE CHARACTERISTICS
2019 was a dry year. Apart from a notable reduction in yields, this had a very positive impact on the sanitary state of the vineyards. The extraordinarily healthy grapes were transformed into wines of high concentration and quality.

PACKAGING
Cork or screwcap closure. 4 special 20th anniversary labels designed by renowned international artists.
